Purpose and Content

The purpose of this meeting is to expand the basic knowledge of Pediatric Cardiologist in the region. We will have experts in the field of Pediatric Cardiology brought in to discuss new techniques on management of patients. The meeting will also have abstract sessions for fellows and faculty to present their research ideas.

Educational Objectives

By the end of this conference, the participant should be able to:

- 1) Identify and manage adult patients with congenital heart disease.
- 2) Learn innovative techniques in management of pediatric cardiac catheterization laboratory.
- 3) Discuss disaster management planning.

Accreditation

The Ochsner Clinic Foundation is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Designation

The Ochsner Clinic Foundation designates this educational activity for a maximum of 9.75 *AMA PRA Category 1 Credits™*. Physicians should only claim credit commensurate with the extent of their participation in the activity.

A certificate of attendance will be mailed within two weeks after the course.

Nursing Credit has been applied for

Ochsner for Children

The Ochsner Clinic Foundation relies upon invited speakers at all sponsored continuing medical education activities to provide information objectively and free from bias of conflict of interest. In accordance with ACCME and institutional guidelines pertaining to potential conflicts of interest, the faculty for this continuing medical education activity have been asked to complete faculty disclosure forms. In the event that some invited speakers indicate that they have a relationship which, in the context of the subject of their invited presentation, could be perceived as a potential conflict of interest, their materials have been peer reviewed in order to ensure that their presentations are free of commercial bias.
