**Southeast Pediatric Cardiovascular Society (SEPCS)**  
**Mission**

1. To promote professional and educational advancement of pediatric cardiovascular nurses
2. To provide educational opportunities for nurses caring for patients with acquired or congenital heart disease.
3. To facilitate and maintain communication among pediatric cardiovascular nurses.
4. To foster nursing research to validate the science of pediatric cardiovascular nursing.

**President's Statement on Mission**

SEPCS membership reflects the diversity of pediatric cardiovascular nursing. Our members represent southeast regional cardiovascular programs as well as programs from the mid-west. The diversity in practice and the broad spectrum membership provides opportunities to learn, explore, and be part of the advances in nursing care of the patient with congenital or acquired heart disease.
